

WANDERING

Camp Out Weekend

EVENT *Program*

18th - 20th October 2024

WELCOME

Welcome to the fourth Wandering Camp Out Weekend on 18th & 19th October. Our crew have been working exceptional hard since the beginning of this year to bring you the "WOW" factor to our annual event this year. We are very keen to give everyone the opportunity to become a part of this event. A huge thank you to Grant and Kerry for allowing the use of their lovely property, Grassdale Farm.

This year there have been some changes in all areas. Some volunteers have decided to step down, some have stepped up and we have also gained some new faces as well. On behalf of the committee, I would like to thank those who have left for their tireless efforts in helping us get this far and welcome those who have just joined our team.

I would like to thank the continued support of our sponsors who have offered to come on board once again this year just goes to show how exciting this event has been to have our major sponsors rejoin without hesitation. Please follow our Face Book Page which is updated frequently to help us thank all our sponsors and give you as much information as possible as it comes to hand.

Some changes have been made to our program as well as some new additions, which we hope you will all appreciate. We have eased the pressure on entry for Friday and decided to open the gates early this year and allow self-contained campers only to come in on the Thursday night to start their weekend earlier.

We have a new crew organizing the Ag Show with new additions to our displays, events and also the addition of the Ag Bar to quench your thirst.

Another new addition to our Paddock party is the VIP Tent introducing our sponsors to the event on the Friday night and allowing guests to purchase ticketed entry via our website for the Saturday night.

There are several other secret surprises we have in store for you all but I cannot tell you otherwise it won't be a surprise would it. The best way to find out is to get on our website, buy the tickets and get on down to Wandering and have a good time.

**WELCOME MESSAGE FROM
HON RITA SAFFIOTI MLA, DEPUTY PREMIER; MINISTER FOR TOURISM
AND
HON DON PUNCH MLA, MINISTER FOR REGIONAL DEVELOPMENT**

**Wandering Camp Out Weekend
18 - 20th October 2024**

The Western Australian Government is a proud sponsor of the Wandering Camp Out Weekend through Tourism Western Australia's Regional Events Scheme (RES).

RES was established to support event holders across the state with the development of events to drive tourism to regional Western Australia. The scheme plays an important role in positioning the State's five tourism regions as exciting destinations by showcasing and promoting the host region's unique and diverse attractions.

A total of 73 regional events across Western Australia have been funded through the 2024-25 RES, which also includes a \$250,000 funding pool for the Regional Aboriginal Events Scheme, which exclusively allocates funding to events delivering Aboriginal activities and experiences.

The Western Australian Government is proud to sponsor all these regional events, which help bring vibrancy to local communities and drive visitor spend, injecting millions into regional economies.

Tourism is a key part of the Western Australian Government's plan to diversify the economy, create jobs and develop business opportunities, especially in regional Western Australia. Events play an important role in this plan and also contribute to the vision for Perth and Western Australia to be the fastest growing events destination in the South East Asian region.

The Western Australian Government sponsors a range of sporting, cultural, arts and culinary events across the state, to attract visitors and encourage them to stay longer, disperse further and spend more while they are here.

We hope everyone enjoys this event and takes the time to explore the Wheatbelt region.

Lotterywest celebrated record-breaking returns to the Western Australian community in 2023-24, with more than \$1 billion provided in grants and lottery prizes. This included more than \$373 million supporting the WA community through statutory and direct grants.

Lotterywest provides support to projects or activities that align with our Community Investment Framework, which covers five priority areas:

- Inclusive thriving community

- Smart innovative society
- Active healthy people

So, when you play our games, you're playing for WA.

As the only State Government owned and operated lottery in Australia where all the profits are returned to the community, Lotterywest is committed to supporting Western Australian community groups.

Keep supporting local Lotterywest retailers when you buy your tickets, as you're also helping small WA businesses.

In 2023-24, Lotterywest raised a record \$373 million to support the WA community including:

- \$198.5 million to WA Department of Health
- \$24.8 million for arts to Department of Local Government, Sport and Cultural Industries
- \$24.8 million for sport to Department of Local Government, Sport and Cultural Industries
- \$125 million across 411 grants to 375 different not-for-profit organisations and local governments in the form of Lotterywest discretionary grants, as well as statutory grants of \$7.7 million to Perth Festival and \$9.2 million to Screenwest.

In 2023-24, \$635 million was won in prizes by WA players. This included 63 Western Australian Division One winning tickets and 53 Scratch'n'Win Top Prize winners.

The Wandering Camp Out Weekend Management Committee thank Lotterywest for being a major sponsor of The Wandering Ag Show, which is part of the weekend long event.

GRASSDALE

Location: 99 Wandering-Pingelly Road, Wandering.

Grassdale is a historical farm as it was one of the first farms established in Wandering over 100 years ago. It is a special place in the hearts of all locals and we are extremely grateful to be able to host this major event on such a magnificent property. The Wandering Camp Out Weekend say a special thanks to Grant & Kerry White for allowing us to host this event on their property. We encourage you to enjoy your stay, but please respect the property. We need to leave it as we find it. Please place rubbish in the bins provided around the property, especially small bits of plastic as these are dangerous to the livestock. Please follow all direction signage around the property and refrain from entering buildings that are marked No Access.

Remember you are coming to a farm. Please bring suitable footwear. The nights get cold and the days get hot, please pack accordingly.

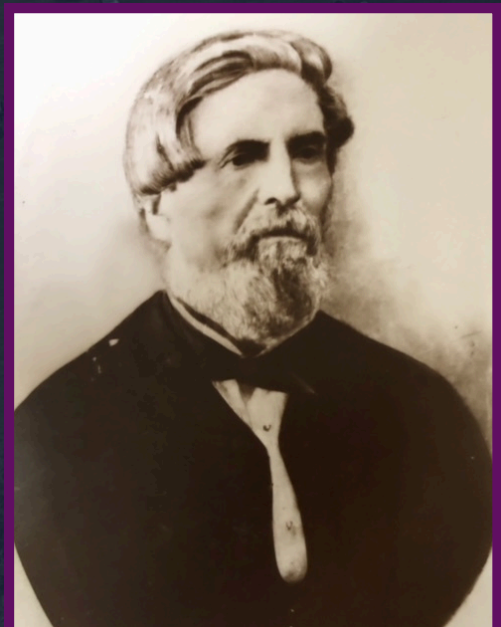

George Stedman Watts arrived in Perth, Western Australia from The United Kingdom on the ship The Medina in July 1830.

On his arrival to the colony George had several occupations, one of them being a Chainer for the Survey Department. He also applied for the contract for carrying mail between Perth and Fremantle which he was granted.

George lived in several areas of Perth but in March 1855 he was granted land in the Canning River district which he farmed with his sons until the 1890s.

In 1861 George Stedman Watts was granted land in Wandering and this land was later to be known as "Grassdale". In 1866 George Stedman Watts transferred the land to his sons George and John Watts.

George and his wife Amelia moved to Grassdale to live with their sons George and John in the 1890's. George died at Grassdale on May 26th, 1889 at the age of 85.
